Dear Parent/Carer,

We hope you have already received some information from your school about the upcoming **Happy Healthy Holidays Somerset** programme. You can search for and book these activities at

www.sasp.co.uk/happy-healthy-holidays

If you have not received a code for this booking system or would like some help booking - please ask your school.

The Opportunity Area Fund and Holiday Activities with Food programme are supporting **free and low-cost activities** giving children and young people the chance to learn new skills, access the countryside and make new friends over the break. The programme gives up to 4 hours free care for working and non-working families, and many providers will offer additional hours for an extra charge.

There are also school-year specific summer opportunities for:

- Students transitioning between years 4 and 5 (first school to middle)
- Students in years 5, 6 and 7 (at middle school)
- Students transitioning between years 8 and 9 (middle sch to college)
- Students transitioning between years 11 and 12: see the Somerset Works programme at somersetweworks.vfairs.com/

PTO

For those who would rather do something as a family, we have partnered with five organisations to give **free year-long family access** to their venues/facilities. We would like to thank our partners; The National Trust, English Heritage, Exmoor Pony Centre, Minehead Eye, and Combe Martin Wildlife and Dinosaur Park. You can find out about these on one of the enclosed leaflets and contact the WSOA team to book.

Transport should not stop your family taking part. If you are struggling to arrange, or pay for, transport to be able to attend any activity over the summer, please contact the WSOA team.

To keep you informed about activities and offers this summer, we will be updating Twitter **@WestSomersetOA**

Just one more thing... some of the pages enclosed have a **puzzle or creative doodle** for your child to do. There is also a **holiday calendar** to help you plan your summer.

Best wishes
