Hello everyone,

Music Concert

It was so lovely to have all the parents back to listen to the wonderful music concert the children had put together with the help of Becki from RootNotes and Abi our music teacher. It was a great afternoon and was enjoyed by all.

Egyptian Museum Trip

The children attended a workshop where they looked at Egyptian artefacts and tried to work out from clues where in Egypt they came from. They went to the Egyptian Exhibition where they saw some mummies!

Welcome Back!

This week we welcomed back Miss Day after taking some time off to have an operation. The school has been very quiet without her and it is lovely to have her back with us.

Goodbye and Good Luck!

Today we say goodbye to Miss May who will be leaving us to have her baby. We wish Miss May and her partner Sam, all the best and we cannot wait for you to come and visit us with your baby.

This week at preschool: We have enjoyed the story of 'What makes hippos fly' – A story about how young Drew used his imagination to create a wonderful story. During our morning circle time we used story stones and small world items to help create new stories – the children had a great time using their imagination to create new and wonderful stories. We were so impressed with their imagination - you can give it a go at home, ask them to find ten items and with a 'Once upon a time' think of a story involving the items found – they may surprise you with their creativity.
